

An abstract graphic design on a dark green textured background. On the left side, a series of white lines radiate from a central point, extending towards the right. These lines vary in length and thickness, with some being solid white bars and others being thin outlines. The lines are arranged in a fan-like pattern, creating a sense of movement and direction. The text "MOUNT" and "1971" is positioned to the right of the radiating lines.

*We've
Only
Just Begun . . .*

. . . to Live

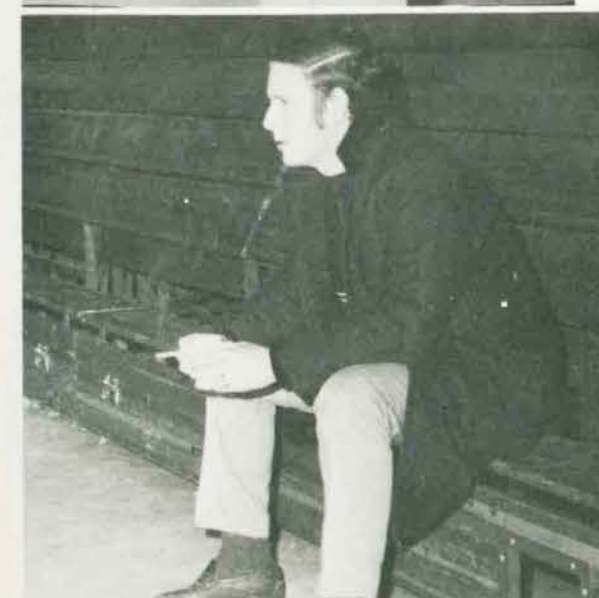

Dedication

Although "we've only just begun to live," we wish to stop for a moment to thank someone who will always remain special to us. Someone who was there to advise and counsel us when we first entered MSJ. And someone who has made us aware, throughout our high school years, that the essence of life exists within the people around us.

You have made each of us realize our importance as individuals in the world. You have encouraged us to accept the challenges that confront us and, win or lose, to keep our heads up. It is your spirit of commitment that has helped to keep MSJ alive.

And so, as our thanks to you for all you have done for us, we, the class of 1971, dedicate this yearbook, the embodiment of our four years at MSJ, to you, Mr. Crandall.

Thank you for being there.

Editor's Message

When we started this project in the fall, we didn't fully understand the problems that we were to face. In an undertaking such as this, there must be true cooperation in organizing the publication and sponsoring fund-raising projects to defray its costs. Fortunately, we didn't have to face these problems alone.

Our heartfelt gratitude is extended to our Editorial Board advisors, Sr. Mary Harvey and Sr. Anne O'Rourke and the members of the Editorial Board.

Sincere thanks are offered to John W. Garofano, our Business Board moderator and his Board for their assistance in the monetary matters.

We also thank Mr. Norm Porter and Mr. Bill Bartlett for their professional photography, and our own yearbook photographers for their amateur excellence.

Finally we wish to express appreciation to Fr. John O'Connell, our stoic principal, and our indescribable faculty.

And so, with all this in mind, we present the 1971 MOUNT.

Sincerely yours,

Robert Carpenter
Rebbie Harrison

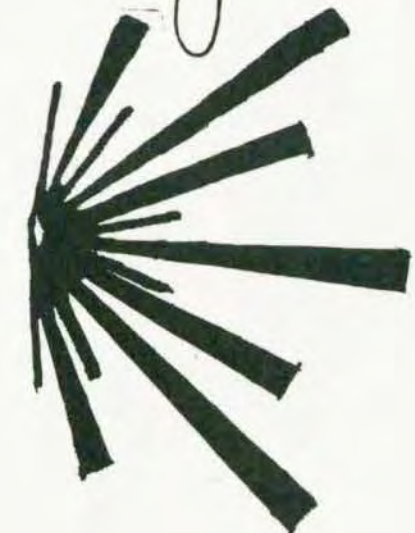

Principal's Message

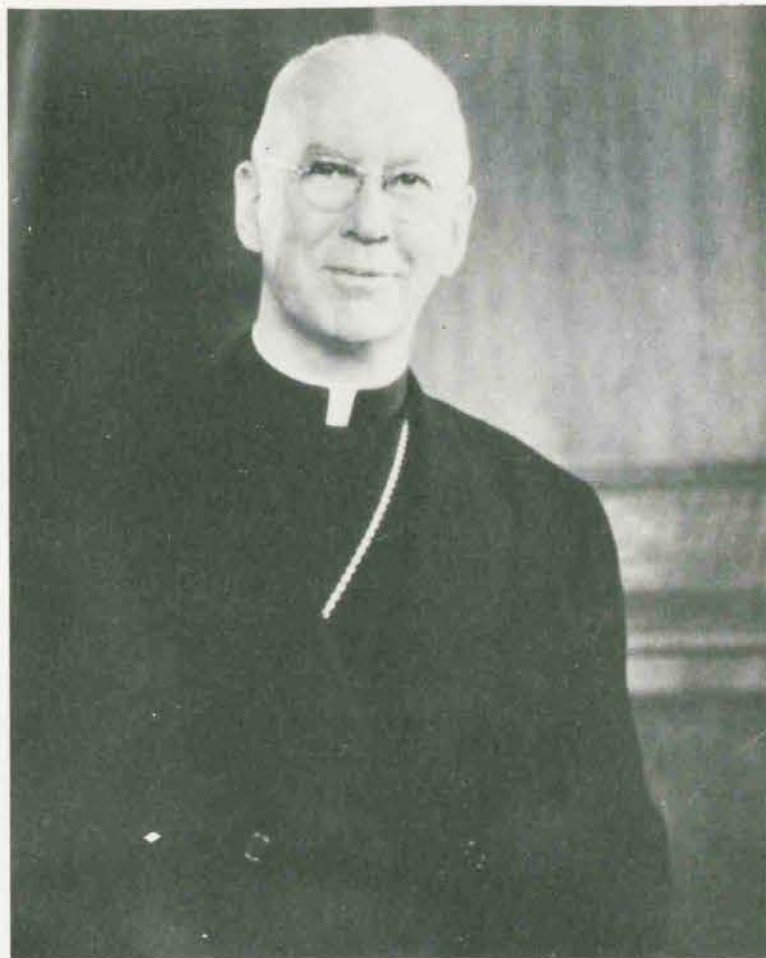

As you join the proud ranks of the M.S.J. Alumni, now numbering over 3,000, I hope that your many experiences and associations at the Academy have made a vital contribution to your intellectual, spiritual and personal growth over the four years.

Our dedicated faculty have given generously of themselves on your behalf. May the quality of education they have provided and the Christian atmosphere they have inspired help you to prepare for a life of Christian commitment and personal fulfillment.

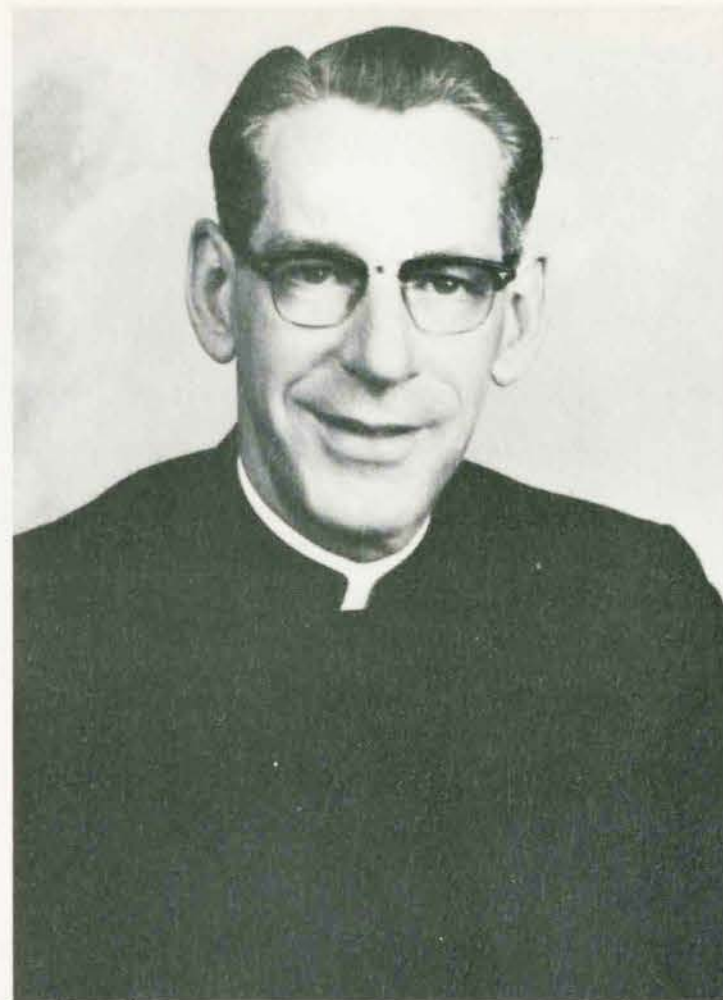

Sincerely yours,

Fr. John W. O'Connell

A new organization this year, the Students For Political Interest was instituted to stimulate interest in government and politics. The group was instrumental in organizing and presenting four political forums during the year, something never done before at MSJ. They also helped to stimulate community interest in local politics by conducting a straw poll for the mayoral race.

-------------	----	--------	----

In what could be called a rebuilding year, Coach Bizzaro's Green Wave had a respectable 9 - 9 record. On top of the SVL much of the year and in the title race down to the last games of the season, MSJ finished third in the league behind Windsor and Rutland. Congratulations are in order for Bobby Bove and Bob Job, who made the SVL All-Star second team, and Rick Brodowski, who received honorable mention.

Although Coach Bill Eaton's Mounties lost 7 starters from last season, they should do well in the Western Vermont League this season. Superstar Rick Brodowski, who was All-Vermont and All-New England in Legion play last year, and Mike Kelly, who also played on the Legion team, will lead the team this year.

We'll help you make our town better

Some of you will go on to college ... we will help. Some of you will start new businesses ... we will help. Some of you will pave roads, build schools, open churches ... or sell us cars, clothes, food, and fuel.

We will help provide the money to do these things.

That's why a local bank needs your support. We can't build a community without you.

THANK YOU M.S.J.

The bells of Mount Saint Joseph's
For four short years have rung
The Class of 1971
Its final praise has sung.
And now at our Commencement
Time for farewells has come.

Forever we'll remember
The lessons taught with care,
Not books alone, but rather
A way of life with prayer.
Our Christian education —
A jewel beyond compare.

Our thanks go out to others,
To whom we owe this day
Friendships kept within our hearts
Sustain us on our way.
So forward Class of '71
Farewell, dear M.S.J.
